

Important information and changes to the Financial Services Compensation Scheme (FSCS) Deposit Protection Limit

As a UK regulated institution, National Bank of Egypt (UK) Ltd is covered by the FSCS. The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most customers holding deposits with banks, which include individuals and small businesses, are covered by the scheme.

Please be advised that as a scheme provided by the UK Government, the FSCS deposit protection limit is changing from 1st January 2016.

- **For individuals** - the limit of protection is reduced from £85,000.00 to £75,000.00 per bank, building society or credit union.
- **For joint account holders** - each account holder will have a level of protection cover up to £75,000.00 (e.g. if two account holders, a total of £150,000.00)

The £75,000.00 limit relates to the **combined** amount in **all** the eligible depositor's accounts held with National Bank of Egypt (UK) Ltd. This includes the customers share of any joint account and not for each separate account.
